*PINK OR BLUE, WE ARE HEROES*

*It's a story about a young boy called Shoemaker Dratewka. Despite the fact that he was not rich, he was cheerful and a good man.*

*One day while he was going forest track, he saw destroyed ant colony. He decided to help them and repaired it. The Queen of ants thanked Dratewka and promised to help him when he will need it.*

*Another day he saw that a bee aortic has been destroyed. He decided to help them. Bees said that he can count on their help.*

*On his way Shoemaker Dratewka met also ducks, which were hungry and the boy fed them.*

Finally, he arrived the town where a princess was imprisoned in the tower. He heard that to save her, somebody had to perform tasks invented by a bad witch. He decided to try.

He went to the tower and knocked the door. The witch let him in.

The first task was to separate poppy seed from sand. He had time to morning. He worked hard but the end was not seen. Fortunately, ants came and helped him.

The second task was to find a gold key in the pond. This time the ducks helped the boy.

The bad witch opened the room with the gold key. There were nine girls who looked very alike. The last task was to choose the right one. Fortunately, the bees flew and helped Dratewka.
